Nerve Slavery

It is present-day conditions—heaping burdens of work upon the nervous system that tells the story—premature breaking up of health.

It tells why so many men and women, who so far as age is concerned, should be in the prime of health, find themselves letting go of the strength, the power, the vitality they once possessed. It is because that great motor power of the body, nerve force, is impaired. Neither will the heart, the brain, the liver, the kidneys, the stomach act right without their proper nerve force supply. Let any organ be lacking in this essential and troubles begin—some of them are:

Throbbing, palpitating heart. Sleepless nights. Sudden startings. Morning languor. Brain fog. Inability to work or think. Exhaustion on exertion. Flaggering appetite. Digestion slow. Food heavy. Easily excited, nervous, irritable. Strength fails. Loss of flesh and muscular power. Settled melancholia.

MRS. J. E. O'DONNELL

Was Sick Eight Years with Female Trouble and Finally Cured by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I have never in my life given a testimonial before, but you have done so much for me that I feel called upon to give you this unsolicited acknowledgement of the wonderful curative value of Lydia E. Pinkham's Vegetable Compound. For eight years I had female trouble, falling of the womb and other complications. During that time I was more or less of an invalid and not much good for anything, until one day I found a book in my hall telling of the cures you could perform. I became interested: I bought a bottle of Lydia E. Pinkham's Vegetable Compound and was helped; I continued its use and in seven months was cured, and since that time I have had perfect health. Thanks, dear Mrs. Pinkham, for the health I now enjoy."—MRS. JENNIE E. O'DONNELL, 278 East 31st St., Chicago, Ill. —\$5000 forfeit if above testimonial is not genuine.

Women suffering from any form of female ills can be cured by Lydia E. Pinkham's Vegetable Compound. That's sure. Mrs. Pinkham advises sick women free. Address, Lynn, Mass.

In Loving Remembrance.

Of Mary Wilburt, adopted daughter of Mr. and Mrs. H. C. Beyers, died Feb. 23, 1902.

Previous Mary, she has left us.
Left us, yes, forever more;
But we hope to meet our loved one,
On that bright and happy shore.

Lonely the house, and sad the hours
Since our dear one has gone.
Oh! a brighter home than ours,
In Heaven is now her own.

When on earth, dear Mary with us
Sang the songs of Jesus' love;
Now, with saint and angel voices,
Sings the songs of heaven above.

Savior, grant us each thy blessing,
That, when life with us is over,
We may meet our precious loved one
On that bright and peaceful shore. daw

City Mission Services.

The services at the City Mission last night were very well attended, some being unable to get in. "God came down our souls to greet, and glory crowned the mercy seat. There were many light, happy faces which lately are looking to Jesus for all things and are finding Him sufficient. Two young women professed to be sanctified and the meeting was a happy one. Services again Thursday night at 7:30. Every body invited.

A WORLD WIDE VICTORY.

The recent victories of the house of Baldwin at the Paris Exposition give to its products a value and prestige not possessed by any other American piano. The grand Prix awarded the Baldwin Piano is an honor coveted by all the manufacturers of the world, but which has never been bestowed upon any American piano except the Baldwin. The Silver Medal awarded the Hamilton pianos and organs shows the estimate of the International Jury of these Standard Instruments. The fifteen other awards [gold, silver and bronze medals, and honorable mentions], serve to emphasize the Great one, and show the high value placed upon the details of construction and the inventions embodied in these instruments.

A Strong Woman

Iowa City, Iowa, Aug. 15, 1900
My wife was sick for three years. We tried everything without relief and spent much money. My wife tried Wine of Cardui and four bottles cured her. She took two more bottles, knowing she would have to work hard during the hay harvest. She attended to all her household duties and loaded and unloaded all the hay. This medicine gave her strength. Formerly she was weak and tired and could hardly get about, but since she has been taking Wine of Cardui she feels better and stronger than when 20 years of age. JOS. A. EISENHAFER.

Mrs. Eisenhafer had tried everything during her three years sickness and had spent considerable money. She was weak and could hardly get about for three years before she took

WINE OF CARDUI

Now, after taking the Wine of Cardui, she can work with her husband in the hay field. That is hard work, but it is not as injurious to a woman's health as labor in stores, factories and offices where thousands of girls are closely confined year after year. With the aid of Wine of Cardui a woman can do any reasonable work and enjoy good health. The health that Wine of Cardui brings makes a woman vigorous in body and mind. Freed from those terrible devastating pains a woman grows well and strong naturally. Wine of Cardui regulates the disordered menstruation and cures leucorrhoea, falling of the womb and periodical pains in the head and back caused by standing or sitting a long time in the same position. Thedford's Black-Draught puts the bowels, stomach, liver, kidneys and blood in proper shape. Greatly increased strength and endurance is the natural result. Most cases are cured quickly. All druggists sell \$1.00 bottles of Wine of Cardui and 25 cent packages of Thedford's Black-Draught.

For advice and literature, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Company, Chattanooga, Tenn.
